AICEIA/Appt/2008

24th Oct 2008

Sir,

Sub:- Appointment for presenting issues already raised with CBEC and
Not-included in the minutes issued on 7.10.2008 by the Board reg:-

As desired by your good-selves, the All India Central Excise Inspectors Association met you and brought to your notice the points require the attention of the Board. Accordingly, a list of items were suppose to discuss, but in the beginning of the meeting you desired that “ No issues already taken up with the Board and the points submitted already, where the action is in progress need not be discuses again as they were already noticed”.

Due to the above this association ignored the issues raised before the Board and the points, which are being dealt by the Board on being raised by this association, have been left out.

The minutes of the meeting have been issued and the old points or the issues raised by this association earlier, which are under progress, are not reflected in the minutes. This may infer that “this association has not raised the issues other than those in the minutes issued” or “all these years we have not raised any issue with the administration and nothing is pending with the Board”.

You are requested to include the issues mentioned below for including in the minutes or issue a separate letter that the issues are included by giving the present status of the same.

1. Outsourcing service Tax work in CBEC- point submitted in the list of resolution
2. Not abolishing Ranges
